Trinity Restoration Announces Nationwide Dealership Agreement to Market, Distribute and Sell Officially Licensed “Gone in 60 Seconds” “Eleanor” Mustangs from Classic Recreations

Movie Star Cars are handcrafted in Yukon, Oklahoma

Tulsa, Oklahoma, July 7th, 2008 – Today [Trinity Restoration](#) announces a nationwide dealership agreement with Classic Recreations of Yukon, Oklahoma to market, distribute and sell the officially licensed “[Gone in 60 Seconds](#)” “Eleanor” Mustangs. This world famous 1967 GT500 Shelby Mustang was the star of the 2000 hit movie and cult classic from Halicki Films Company starring Nicholas Cage. The “Eleanor” Mustangs will be sold locally at Trinity’s South Tulsa showroom and nationwide through Trinity’s custom car website www.brandnewmusclecar.com. Trinity will also travel the country displaying the cars at major automotive events like SEMA, Barrett-Jackson and many others. “Eleanor” Mustangs are the latest addition to an ever expanding variety of services and products offered by Trinity to customers nationwide.

"Whether you're a Mustang guy or not, Eleanor is one of the coolest hot rods ever. Eleanor truly captured every car guy's heart in 2000 when *Gone in 60 Seconds* hit theaters. We're proud to help movie fans and Mustang enthusiasts alike own their own authentic, officially-licensed *Gone in 60 Seconds Eleanor* collectible Mustang", stated David Miller, owner of Trinity Restoration.

The recent production of the 1967 Mustang Fastback bodies licensed and authorized by Ford has streamlined the customizing process. That means those who desire their own "movie star car" can purchase a brand-new "Eleanor" Mustang fabricated from the ground up with all new body and parts. Customers may also choose to modify an original 1967 Mustang body with all new parts.

Customers wishing to purchase an "Eleanor" will have their choice between the 535-horsepower FI Model priced at \$139,900 or the supercharged 750-horsepower FI Model priced at \$189,900. "Eleanor" is built from a classic muscle car body but with high-tech materials and technology to produce the reliable power and handling of a modern-day factory race car. These custom-built, high-performance Mustangs are handcrafted to order and offer such performance features as coil over suspension, sequential fuel injection, oversized slotted and cross-drilled Baer brakes, and a 410cid or 427cid Keith Craft Racing engine.

"Eleanor" also comes equipped with a Tremec TKO Manual or Automatic Transmission, Posi-Traction, Concept One serpentine drive belt system, braided stainless fuel lines, air conditioning, custom sound system, and five-point Simpson harnesses. Additional owner-specified upgrades can include leather interior, keyless entry, and custom in-dash DVD and satellite navigation and entertainment systems. Visit <http://www.brandnewmusclecar.com/eleanor.html> for more information.

The officially licensed "Gone in 60 Seconds" "Eleanor" Mustang can be seen in person on Trinity South's showroom at 8324 E. 97th Street in Tulsa, Oklahoma starting on 8/23/08. That is the Grand Opening date of [OCC Tulsa](#) / Trinity Motorcycles, a subsidiary of Trinity Restoration and will serve as the coming out party for Orange County Choppers and the "Eleanor" Mustang in Tulsa. Everyone is invited to join Trinity for an open house and bike show including a visit from Mikey Teutul and the world famous POW / MIA Bike from [Orange County Choppers](#) and the TLC television show, "[American Chopper](#)".

Trinity Restoration is proud to offer the officially licensed "Gone in 60 Seconds" "Eleanor" Mustangs in addition to its existing services such as restoration, collision, mechanical, [DENT DOCTOR](#), [Orange County Choppers of Tulsa](#), custom paint and design from [Cole Stevens Design](#), and most recently brand new classic car creation and construction from its [Brand New Muscle Car](#) division. Trinity offers everything from oil changes to paint-less dent repair to frame off restoration to custom car construction.
